

**A Family Medicine Without Alcohol**

Ayer's Sarsaparilla is a tonic and alterative, free from alcohol. What is a "tonic"? A medicine that imparts strength or tone; a medicine that builds up, gives vigor and power. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Ayer's Sarsaparilla does all this without stimulation. Ask your doctor if a family medicine, like Ayer's Sarsaparilla, is not vastly better without alcohol than with it.

## MUHONKS BEAT THE CHINESE

Only one game of baseball was played on the Athletic Park yesterday, the match arranged between the Asahis and the Palamas being awarded to the Japanese by reason of the forfeiture of the Palamas. The Muhonks and the Chinese kept to the schedule and an interesting game was the result, the Muhonks springing a surprise on the fans by beating the Chinese by the odd goal in five. Up to the end of the fifth the Chinese seemed to have matters much as they liked them, being two runs to the good, but in the sixth the Muhonks opened out and scored two runs, bringing the scores level. Thence to the first of the ninth there was no further scoring, but when the Muhonks went up to bat for the last time the winning run was notched by Ah Hook, who walked to first, got to second on a passed ball and came home on a hit to right field by Ah Tin.

With the defeat of the Chinese and the forfeiture of the Palamas the Asahis take the lead in this competition, being one win ahead of both the Muhonks and the Chinese.

## COMPANY D WON

Saturday saw the conclusion of the Marines Battalion Baseball League at Camp Verry, "D" Company winning from "B" Co., by five runs to three. The game was responsible for considerable enthusiasm and this interest was maintained right up to the end, when the supporters of the victorious "D" Co., rushed the diamond and carried Pitcher Davis off, shoulder high. Davis did remarkably well in this game retiring fourteen of the opposing teams and being debited with only four hits. Thompson pitched for "B" Co., but the best he could do was to retire eight batters and he had eight hits made off his twirling.

## HAWAII WON YESTERDAY'S RACE

Four of the yachts of the Hawaii Yacht Club turned out for the race arranged yesterday, each in charge of a member of the Honolulu Yacht Club. The four starters were:—Hawaii I, Commodore Sullivan; Charlotte C, Campbell Crozier; Kamehameha, G. Sims; and Helene, W. O'Brien. The Gladys was expected to turn out, but owing to a misunderstanding between the owners and the boys who were to sail her she did not compete.

It was ten minutes to eleven when the start was made, Hawaii I and Charlotte C. showing clear of the other two. The race to the markboat off Waikiki was close between the leading boats, but the Kamehameha and Helene struck a calm patch almost immediately after the start and were out of the race for all time. Meanwhile Hawaii I drew away from the Charlotte C. and remained in the lead the whole way, despite the fact that on the run down to Pearl Harbor the wind let up and held her up for twenty minutes. Getting away with light winds the Hawaii rounded all marks first and finished at the spar buoy at five minutes past five in the afternoon, Charlotte C. crossing the line eight minutes later.

The Helene and the Kamehameha found it impossible to complete the course under sail and took advantage of a tow to get in the harbor again, arriving back about eight o'clock.

The judges were Harry Rycroft, Charlie Crozier and Charlie Dunkhase, who were taken over the course by Commodore James Jaeger in the launch Kulamau II.

### SENATOR CLAY OF GEORGIA DROPS DEAD.

WASHINGTON, November 14.—Senator Alexander S. Clay of Georgia dropped dead here yesterday of heart failure.

Senator Clay was fifty-seven years old. He was born in the State he represented in the Senate and had been active in local politics for many years prior to being sent to Washington. From 1884 to 1887 he represented Cobb county in the State legislature, and again in 1889-90, being speaker during that term. In 1892 he was elected to the State senate and served as president. He was elected to the United States senate in 1896, was reelected in 1903 and again in 1909. His term was not to have expired until 1915.

## GOLF SERIES AT COUNTRY CLUB

The first of the series of competitions called for by the conditions under which Walter Dillingham presented the president's cup for competition among the Country Club golfers was played yesterday and Saturday, on the Club's links at Nuuanu.

Yesterday was excessively hot and the prevalence of a south wind detracted considerably from play. Usually, players find the trade winds agreeable, and are accustomed to them, so much so that a change to the south winds throws most of them off their play. This is accounted for by the fact that the long holes when the trades prevail are the short holes when southerly winds blow, and vice versa.

Twenty-six players entered the competition, but of these only sixteen handed in cards, J. Evans leading all others. H. Giffard did the best two rounds, his score being 85, but Evans' handicap brought his total for the eighteen holes to 83.

The best cards handed in were: J. Evans, 83; H. Giffard, 85; (scratch): G. Angus, 89; (scratch): F. Halstead, 90; C. Weight, 91; R. Booth, 91; W. Woon, 92; O. Sorenson, 95; J. J. Belser, 94; M. Phillips, 95; P. Morse, 97; H. H. Walker, 99; F. Klebahn, 103; R. Reidford, 109; S. C. Walker, 112.

This competition will be continued monthly on the second Saturday and Sunday, until next November, or until Walter Dillingham's term of office expires, if that is within the same space of twelve months.

The most important fixture in the golf world locally at the present time is the foursome which is set down for decision on Thanksgiving Day. This tournament is expected to be well attended and interesting games are anticipated.

### ATTELL-CONLEY DRAW.

NEW ORLEANS, November 14.—Abe Attell and Frankie Conley fought a fifteen-round draw here yesterday.

## A BOWLING TOURNAMENT

The challenge bowling match at Fort Shafter yesterday, which followed "H" Company's win of the previous Sunday, resulted in victory for the challengers, who were 134 points to the good when the last roll was over. "G" Company set up a total of 2206, against "H" Company's 2072. Other matches are now being talked of and it is anticipated that a company tournament will be organized within a short space of time. Yesterday's scores were:

G. Company.—Froelich, 517; Berger, 454; Corp. Madison, 441; Henry, 426; Corp. Rowe, 365.  
H. Co.—Painthowski, 456; Peterson, 434; Horton, 408; Grant, 379; Blang, 365.

## VICTORY EASY FOR COLLEGIANS

Thirty-six to nil tells the woeful story of the terrible thrashing the Highs suffered at the hands of the Collegians in the final game of their football, series Saturday afternoon, at the Boy's Field. Before the smallest crowd that ever witnessed the series between the two institutions, the Highs had the largest score of the season piled up against them. This ends the series between the school and the college and the plucky youngsters of the lower institution will no longer be seen on the gridiron until next fall. The probability is that the Highs might not have a team next year.

A number of the best men will graduate next year and the Highs might be in a worst plight than ever before. Sing Hung, Kenneth Ables, Joshua Pratt, Clarence Dyer, and Lester Marks, all towers of strength to the team, are the men who will leave school next year; and the problem of putting on a team without them will be a hard one to solve.

When the season opened this fall, the Highs had no sort of material to speak of. Yet rather than let a season slip by, they determined to throw on a team, and they did—one which any one ought justly be proud of, from every conceivable standpoint.

handicapped as the youngsters were. The players were considerably lighter and less experienced than their opponents, but despite these drawbacks, they entered a team not to win but simply for the sake of the sport.

The boys said they hoped at least to make one score during the year and Saturday was the last opportunity offered them.

The College camp is all to the merry just now over their victories, but the Puns say they'll stop the cackling from the farmyard next Saturday.

The farmers feel they need more space to strut about in and accordingly will practice at Makiki field instead of on their school grounds.

Saturday's game was too one-sided to merit a description. The Collegians won in every department.

## TRY TO QUIET THE MEXICANS

CITY OF MEXICO, November 13.

—With reports of Mexican mobs attacking Americans in Mexican cities and reports of the possibilities of the Americans throughout the southwestern states and Texas retaliating against the Mexican residents there, President Taft, en route to Panama, and President Diaz, have been exchanging messages.

Each President has assured the other that full protection to the citizens of each will be afforded by the governments of each, that those who have attacked the citizens of each Republic while residing in the other will be adequately punished. Each President has assured the other that no reason has arisen why the friendly relations of the one to the other should be broken and each assures the other that he has confidence in the justice of the other.

### Americans Crowding Together.

The reports received last night from Guadalajara stated that the American consulate was being guarded by a strong force of cavalry. The American residents have abandoned their homes in the outlying country districts and the suburbs and have concentrated in the city, making their homes in the hotels.

### Police Chief Shot Down.

ANADARKO, Oklahoma, November 13.—An unknown Mexican called at the home of Chief of Police Temple of this city last night and asked the official for an interview. When Temple stepped from his doorway, the Mexican pulled a revolver and shot him down, death being instantaneous.

The killing of the official has aroused the citizens to a dangerous pitch and the Mexican will assuredly be lynched if any of the various posses searching for him should catch him. As the man is unknown, it is feared that vengeance for the death of the chief may be wreaked on some innocent Mexican.
